October 2000

Vol. 4 No. 1

## Growth in Music Department Challenge for Music Boosters

The year 2000 is here, and I am looking forward to an exciting new year. It has been rewarding to see the growth in the music department and a challenge for us in Music Boosters to keep up with that growth.

The Yorkville High School and Middle School (along with the help and support of the Music Boosters) will be hosting this year's IMEA workshop and concert on November 4<sup>th</sup>. This will be a wonderful and new opportunity for us. We, however, will need the help of many to make this a success.

Music Boosters has purchased for the 2000-2001 school year a new bass for the YMS Orchestra department, two base podiums, crash cymbals, and a concert bass drum for the YMS Band; a set of claves, bongos, maracas, woodblocks, chimes, triangle, and tambourine for the YMS Choral department. For the high school, we will be purchasing music stands, windchimes, rectangular temple blocks, and folders for the Band department, boom box, and choral folders for the Choral department, and a workstation for the Orchestra department.

I would like to thank the students, patrons, families, friends, businesses, teachers, staff, and administration for your continued support. None of what we do would be possible without your constant support. If you are not already a patron, please use the form found in the back to support the Music Boosters and to promote the Arts in Yorkville.

*Debbie Cool, President*

# Yorkville Band students work hard and enjoy rewards

## *I JOINED...I STAYED*

“Gee, what is THAT instrument and what does it sound like? I’d like to try it!” Usually, these comments are plentiful when first joining our Band program as Cadet Band players. It happens all the time. Making that first initial step can be huge, but many rewarding steps will follow.

The first concert can be breathtaking for both player and Mom and Dad. I still have students in high school tell me they remember their first concert.

“We played *Water Lake Overture* and it sounded pretty good!”

**Megan Pocius**, senior trumpet.

“I have enjoyed playing drums for so many years, it has been fun!” **Nick Johnson**, senior percussion.

Parades can be exciting! At our Varsity Band level we actually get to march and PLAY at the same time. What a great experience!

“We marched good and proud! Some of us got out of line but we made it – WE DID IT! When we were done, one of my friends in Band jumped in my arms and said I played it. I think the Band will be willing to do it again. WE MADE IT! **Courtney King**, Varsity Band clarinet.

“Marching in the parade was great! We were uniformed and always ready to play. We marched in step and held our instruments at chin level when we weren’t playing. When we did play, it was FUN and sounded GREAT!” **Andrea Morris**, Varsity Band flute.

Solo and ensemble contests, and Band contests can be very nerve wracking to both the player and director. All the effort, extra practices, doing it over a million times just to get it right...And what a great feeling when someone else (that, being a judge) admires your work!

“My freshman year, I went to solo and ensemble contest with an alto sax solo and a sax quartet. I got a first for my solo and a 2<sup>nd</sup> for my quartet. Overall, it was a GREAT experience!” **Rachel Sebbby**, senior Drum Major and alto sax player.

“I loved being able to experience solo contests and flute recitals all through my high school career. It WAS very nerve racking, but I improved as a flute player, and gained confidence in performing in front of people. I loved the feeling when I knew that I had just performed the BEST I could, or my BEST EVER!” **Sarah Ferris**, senior flute player.

It only gets better! The music comes together faster, rehearsing can be easier, a fuller sound, a more mature sound begins to develop, range improves, endurance lasts longer, I really do get to wear a Marching Foxes Band uniform, you mean we get to go to Washington D.C. for free and play for the Speaker of the House. The rewards are many!

Select students get the opportunity to study jazz in our High School Jazz Band. We’ve traveled to Northern Illinois University for Band Day (what a blast!) and have performed on stage in their

acclaimed concert hall. We have raised thousands of dollars in fruit sales to travel to Orlando, Toronto, and San Antonio.

We grow together as a group: problem solving, teamwork, goal-setting, self-expression, poise, concentration, self-confidence and esteem. And when the moment comes to stand before the Band’s of Yorkville and to an audience of proud parents and people at our final concert of the year, it is my true hope and a wonderful feeling of joy to know that our graduating seniors have “made it,” that they have experienced a great deal, to know that they joined, and they stayed.

*Steve Moline*

The participants will be leaving for France December 26<sup>th</sup> and will come back on January 2<sup>nd</sup>. They will be part of a parade in Chantilly, as well as giving a concert there. They will also perform in the Paris Millennium Day Celebration parade, along with a few days of sightseeing.

The band members are really looking forward to the trip. They have already completed one practice and two more are scheduled.

# YHS music students prepare for IMEA auditions

Eleven students from the YHS Band, Orchestra and Choir Departments auditioned for the IMEA (Illinois Music Educator's Association) District IX Music Festival held at West Aurora High School on Tuesday, October 10, 2000.

The students competed against other area high schools' music students to earn the right to perform in the 2000 IMEA District IX Concert to be held on Saturday,

November 18, 2000, at Naperville North High School. Competition and the actual audition was very stressful. Those who auditioned were judged on musical talent in many areas: note/rhythm accuracy; quality of tone; scales and musicianship to name a few. Students were ranked on a point scale as they competed among all auditioning with the same instrument, vocally or instrumentally.

Students who excelled in the initial audition at Aurora West High School are eligible to be selected for the All-State Music Festival held in Peoria, Illinois January 24 – 27, 2001. The students will not know the results of the IMEA District IX Festival auditions until late October or early

November. The following students represented YHS: **Band:** Sarah Ames - flute, Rebecca Horner – clarinet; **Orchestra:** Corrine Cox – Violin, Mary French – Cello, Stephen Geinosky – Cello, Brendan McCurdy – Violin, Brendan Neuman – Viola, Andrea van Pelt – Violin; **Choir:** Ashley Lies – Soprano, Rachel Sebyy – Soprano, Whitney Trumble – Alto; **Jazz Choir:** Rachel Sebyy - Soprano.

## YHS Music Department Spring tour to San Antonio, Texas

The YHS Music Department is planning its Spring trip to San Antonio, Texas during Spring Break, April 5 – 12, 2001.

The students plan to perform at Sea World and at Market Square in San Antonio. Among the sites to be toured will be: Padre Island, Fiesta Texas Amusement Park, Alamo, Johnson Space Center in Houston, Diamond W Longhorn Ranch Dinner Theatre, San Antonio Riverwalk and more.

As in the past, students will earn money to pay for the trip by participating in various fund-raising activities. Please support the YHS music students as they endeavor to raise funds for this entertaining and educational trip.

An informative meeting will be held immediately following the YHS Choral Concert on Tuesday, October 17, 2000. Approximate meeting time will be 8:15 p.m.

## Fruit Sale Fundraiser

- Kick-off is on October 20<sup>th</sup>.
- Orders are due no later than November 6<sup>th</sup>.

## Chamber Singers travel for performances this Fall

The Fall of 2000 proves to be a busy season for the YHS Chamber Singers. On October 18<sup>th</sup> the 64 singers will be heading for NIU to perform in the NIU High School Choir Day Festival. Eleven Northern Illinois area high schools will be performing for each other. A 25 minute warm-up time is provided for each choir prior to the performance. Immediately following the performance, clinician Simon Carrington will work with the choir for 10-15 minutes. Each choir will have a follow-up clinic with NIU School of Music faculty members Eric Johnson or Sandra Frey Stegman. All high school choirs will then have an

opportunity to hear a performance by the Northern Illinois University Choir.

On November 16<sup>th</sup> the Chamber Singers will be headed to Minooka High School to attend the Suburban Prairie Conference Choir Day. The festival will be held during the school day. Each choir (approximately 16 total) will attend either a morning or an afternoon session. The choirs are to prepare two selections for evaluation and then have a mini-clinic with the clinician during the remaining time after their performance. Dr Brad Holmes from Millikin University is this year's guest clinician.
