BOC (Band, Orchestra, Choir) Roller Skating Party

The 5th and 6th grade band, orchestra and choir students from both Grande Reserve Elementary School and Yorkville Intermediate School enjoyed a two hour, fun-filled evening of skating, eating and socializing with fellow musicians at the Aurora Skate Center on Wednesday, May 2, 2007. We'd like to thank all of the Yorkville community members who helped make this event possible: The Yorkville Music Boosters for providing pizza and pop, Ms. Louise Brodie for organizing the event, and all of the music department parents who joined us to chaperone.

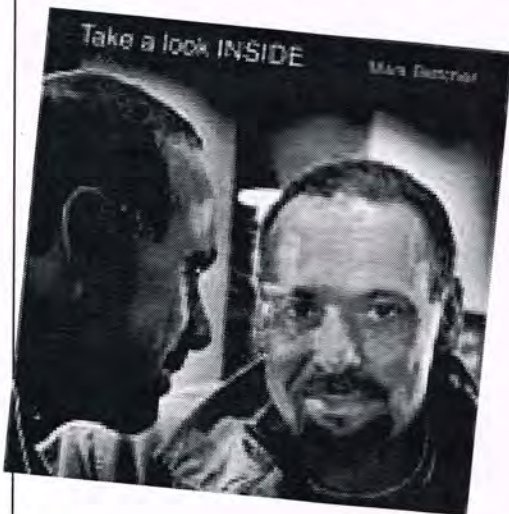

Thanks for a great end to the year!

He has worked as a music educator and professional musician in the Chicago area since 1981. Mark has worked with some of the top names in jazz and pop music including Tony Bennett, Joe Williams, Louis Bellson, Ramsey Lewis, and the Temptations. He recorded five C.D.'s with the Frank Mantooth Orchestra, receiving multiple Grammy nominations, and released his own solo recording "Through the Eyes of a Child". Mark's new C.D. "Take a Look Inside" is available on Apple Jazz Records. Mark toured with Phil Collins throughout the United States and Europe, recording a live C.D. in Paris. Since joining the staff at Elgin Community College in 1989, Mark has developed the ECC Jazz Ensemble into one of the areas hottest bands and founded the annual ECC Jazz Festival. The program has attracted numerous guest artists including Bill Evans, Bobby Shew, Arturo Sandoval, Randy Brecker, and David Liebmann. In addition to directing the ECC Jazz Ensembles, Mark also directs the award winning Dundee-Crown High School Jazz Bands and Orchestras. Swamp Girl Feels Pea and Weds Prince (Rest of Kingdom May Now Marry!)

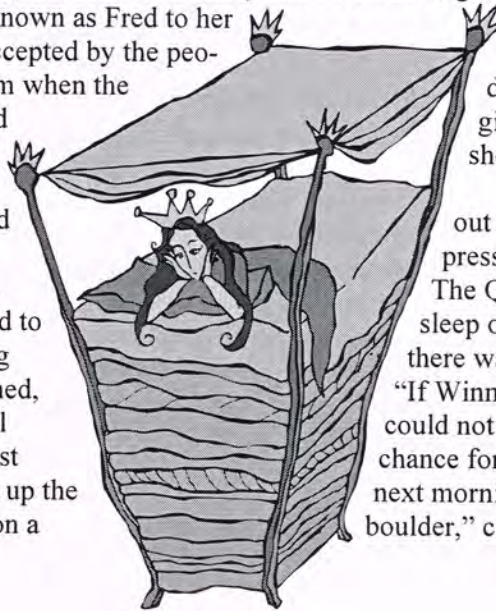

The royal kingdom heaved a collective sigh of relief the second weekend of May, as their prince finally found a bride, who was able to pass all tests of royalty and prove she was a suitable princess for marriage. For some time Prince Dauntless (Tim Calhoun) had been denied his trip to the altar by Her Majesty the Queen (Bridget O'Malley), who turned away twelve princesses in a row, deeming them unsuitable to be wed to her son.

Princess No. 12 (Kelly Schulz), the last girl to be rejected, had some harsh words to say about the situation. "All the Queen's tests were rigged! She asked me the most outlandish questions, hoping I would fail. She has an unhealthy love for her son and wants to keep him all to herself! And all I got for my efforts was a plucked chicken!" Although the questions were technically asked by the Queen's personal wizard (Jeff Goins), other witnesses agreed that the given test was unfair. "I've never heard a test so difficult to pass," confirmed Lady Rowena (Katie Woodard).

The string of disgruntled princesses came to an end with Princess Winnifred (Claire Barnhart), who was brought in from a small, lesser-known kingdom in the swamps across the badlands, by Sir Harry (Blake Malley) and Lady Larken (Claire Carlino), who were anxious to see Prince Dauntless married. "The Queen had decreed no one could get married before her son," explained Lady Larken, "and Harry and I wanted to get married as soon as possible."

Though Princess Winnifred (known as Fred to her friends) made an unconventional entrance to the castle, she was quickly accepted by the Prince, she swam the moat to reach him when the court jester (Chris Burt). "She's a good further added, "I knew from the start test."

Successful Night at the Cabaret

The Madrigals put on their 3rd annual Cabaret Night on February 9th and 10th, performing songs from Broadway musicals, ranging from famous shows (Phantom of the Opera, Joseph and the Amazing Technicolor Dreamcoat, Les Miserables) and obscure ones (Rags, Children of Eden). For the second year, the YHS Speech Team provided dessert as a fundraiser. Performers included: (seniors) Claire Barnhart, Tim Calhoun, Claire Carlino, Vic Epperson, Mark Freeman, Mandy Matlock, Bridget O'Malley, Kelly Schulz, (juniors) Chris Burt, Audrey Dunn, Jeff Goins, Scott Haug, Derek Jones, Jackie Joyce, Amy Taylor, Ali Whitt, Katie Woodard, Jeff Worrell, (sophomores) Adrienne Batres, Allie Free, Blake Malley, Dylan Sutcliff, and (freshman) Devin Johnston.

FOX VALLEY MUSIC FESTIVAL

Yorkville Summer Community Band 15 Years!

This year marks an exciting year in the history of the Yorkville Community Band! It's the **15th Anniversary** of this talented group. And once again, we would like to extend an invitation to anyone and everyone who would like to join!

If you've been fortunate enough to witness the previous performances of YCB, you'll notice the vast age differences of the members. Students, starting as young as Middle School, are able to participate alongside the older members who are...lets just say, "seasoned veterans" of music! Not only are musicians invited to take part, but those wanting to take part in either the "color guard" or "candy brigade" should feel free to contact us. If you'd like to participate, we'll find something for you to do!

The primary performance of the Yorkville Community Band is the annual **4th of July** festivities celebrated in Yorkville. The band participates in the parade, which is then immediately followed by a concert in Towne Square.

And, the City of Yorkville has extended a very special request. It has been asked that the Community Band perform an additional concert on July 27th in honor of the 150th Anniversary of the joining of the two communities, Yorkville and Bristol. As members contact us with their intent to perform, we'll be sure to forward additional information with regard to this performance.

If you, or anyone you know, wish to join the Yorkville Community Band, please do not hesitate to contact either Susan Munson (630)553-9750 or Linda Panlilio (630)913-7869. We will be more than happy to provide further explanation and details to anyone interested. Hope to hear from you soon!

Yorkville Orchestras, a year of growth and new challenges!

The 2006-07 school year has been a strong year for the Yorkville Orchestras. The fifth and sixth grade has grown musically and now includes a sixth grade string quartet and a fine kick line for the can-can in fifth! Several students will be continuing their studies over the summer with either private lessons or local music groups. Mr. Romack and Ms. Brodie highly recommend private lessons for students; lessons help students who are struggling with any aspect of their music study to accelerate their learning. Lessons also challenge and accelerate the learning of students who are looking for more from their music studies.

The Middle School orchestras have seen the addition of a new performing ensemble, *The Fox Fiddlers*, who have performed bluegrass and celtic music at our concerts and were the pit orchestra for the YMS production of *Hillbilly Reunion*. The Middle School made high marks at the IGSMO orchestra contest, missing a first division rating by one point. The YMS symphony orchestra (which includes our wind and percussion players) attended a concert by the Chicago Symphony Orchestra at Symphony Center.

Private Lessons are the Key to SUCCESS.

At Yorkville we set very high standards for our music students because we see all of the potential they possess and have the pleasure of watching them achieve at high levels. Studying privately with a professional musician helps young musicians rapidly improve their reading and playing skills. There are many musicians who make a living solely by performing and passing on their skills through private lessons. As our city and music department continue to grow, more and more of these professionals are attracted to the area. Summer is a great time to become acquainted with a new private instructor by starting weekly lessons and to form new and improved practice habits. If you haven't tried private lessons yet, please do so! If you are interested please feel free to contact any of the professionals listed below and further your music education outside of school.

MESSAGE FROM THE PRESIDENTS

That's not a typo – there are two of us, so President is plural. Music Boosters has so much going on that it takes two of us in the office to keep things going. In fact, it's still not enough. Please read the Help Wanted article later in this issue, and consider joining us.

Since the High School students had a trip this year, we focused most of our fundraising to help the students pay for their Disney trips. We were also able to pay for their workshops and help pay some of the chaperones expenses (also known as the bravest people on earth).

We were also able to financially help younger music students. Music Boosters pays for buses for music related field trips. We helped fund the 6th grade Solo/Ensemble contest and kicked in money for the 5th grade BOC skating party. Every year Music Boosters pays for the awards given to all the music students as well as providing scholarships for those going to music summer camps. We're also proud to sponsor a scholarship for a graduating Senior who plans to major in music. All of these things and more are possible from your generous support through our various fundraising efforts. Every raffle ticket you buy, every scrip order you place, each "Culvers Day" meal you purchase, and all the other ways you help with fundraising is greatly appreciated by the whole Music Department. Without you, these benefits for the students would not be possible.

Thanks for your increasing support. Enjoy the concert!

- Susan Egner and Deb Myers
