

Concert Band Syllabus

2022-23

Concert Band (9208, 9218*)

Concert band is designed for all students who desire to continue their musical education on a wind or percussion instrument and further develop their technical and musical competence. The concert band studies traditional and contemporary concert band literature. Additional performance opportunities include contests, solo literature, chamber ensembles, honors bands, and community events. All members of the concert band are required to participate as members of the pep band. Next Course: Symphonic Band, Wind Symphony, and Wind Ensemble

Music Subject Mission Statement

Yorkville music students will pursue a lifelong relationship with music.

Curriculum At A Glance

Students will demonstrate tone quality, technical skills, listening, and musicality appropriate to grade 2-3 wind and percussion literature.

- Students will perform grade 2-3 wind and percussion literature with advanced pitch accuracy, intonation, and tone quality.
- Students will perform rhythms and time signatures commonly found in grade 2-3 wind and percussion literature.
- Students will develop and apply ensemble skills and rehearsal techniques utilized in grade 2-3 wind and percussion literature.
- Students will interpret grade 2-3 wind and percussion literature expressively with guidance.
- Students will perform various styles, genres, and forms characteristic of grade 2-3 wind and percussion literature.
- Students will differentiate key, scales, intervals, and tonality typical of grade 2-3 wind and percussion literature.
- Students will evaluate and analyze grade 2-3 wind and percussion literature.

Required Materials

Each student is required to have their own personal metronome and tuner, a pencil, and instrument in good playing condition with all of the normal accessories associated with their instrument (mutes, valve oil, slide lubricant, mouthpiece, at least three good reeds at all times, and mallets). Students using a school-owned instrument (including percussionists) are required to pay a rental fee \$33 per semester. Music and folder is supplied by Y115 and must be kept in good condition. Fee for a missing folder is \$25. Concert dress apparel consists of a classic black concert dress with $\frac{3}{4}$ length sleeves, dress stockings and black dress shoes (no open-toed) or black tuxedos with white pleated tuxedo shirt, black bow tie, black cummerbund, black socks, and black dress shoes. YHS Bands will place one order at the beginning of the

school year to fulfill these needs. All students are required to pay a one-time \$70 fee for the uniform. YHS owns and lends the tuxedo coats and pants. All other uniform items belong to the students.

Learning Goals

Students will become aware of various ensemble and rehearsal techniques, wind & percussion repertoire, and advanced high school/collegiate level performance techniques. Students will also advance their knowledge in theory, history, pedagogy, etc. through application. Refinement of ensemble skills toward the collegiate level will be an omnipresent goal in every rehearsal.

Rehearsal Philosophy

Rehearsals are not to learn your individual parts – rather they are to learn everyone else’s part. Rehearsals are time to work collectively, not individually. Your part is your responsibility. The goal, when we are all together, is to make music, not to learn fingerings or rhythms.

Band Values

Students of Yorkville High School Bands...

- Instill respect and pride for each other, our equipment, and our facilities.
- Create a family-like atmosphere throughout the band.
- Maintain a positive focus with high energy.
- Take initiative ourselves and encourage others to self-motivate.
- Always strive for excellence with a positive attitude.

Expectations

- Instruments, music, and folders must be put away in their assigned areas when not in use.
- Lockers and classrooms should be kept clean of non-music related items
- No food, gum, or beverages will be allowed in rehearsal at any time
- Practice rooms are designed for practicing only. Students are not allowed to use the practice rooms for any other purpose unless given permission by the teacher.

Private Lessons

Students who study their instrument with a qualified private instructor get better on their instrument faster than those who do not. It is no secret that the best musicians in our schools are the ones that take 30 minutes to an hour out of their week and study privately with a professional. It is highly recommended that students in the Wind Symphony take advantage of the opportunity to study with a qualified private instructor from our private instructor list found on our website.

Communication

The Yorkville Music Staff works hard to communicate clearly, concisely, timely, and accurately with students and parents. We utilize many methods of communication listed below. However, the most important tool of communication that we count on is our students. We also communicate through in-school handouts, Music Notes publications, up to date websites (www.yorkvillemusic.org), posted announcements in class and on our website, verbal announcements at concerts, email, Canvas, and twitter @yorkvillemusic..

Grades

Student grades are based on individual assessment. Attached is the Y115 grading plan.

Retake Policy: Students may arrange review sessions and retakes for individual assessments within the same grading period.

Weighted Grades

9th-12th grade students electing to take Wind Symphony (9218*) as a weighted grade will follow the weighted grade program requirements which can be obtained on the music department website or from your teacher. Enrollment in the weighted grades program must take place in the first full week of the school year.

Transportation Expectations

1. All students must ride the school provided transportation to and from away events unless alternate transportation arrangements (with documentation) are made prior to the day of the event.
2. After the event (if alternate transportation is pre-approved) students, with the parent/guardian must sign out with a music teacher.
3. Students may not leave with anyone other than the adult/parent/guardian that has prior authorization to take the student.
4. No alternate transportation arrangements will be made the day of the event.

Extra-Curricular Offerings

Yorkville Music offers several extracurricular music ensemble opportunities for students to be a part of outside of school hours. Students may elect to participate in Marching Band, Color Guard, Jazz Band, Madrigal Strings, Pit Orchestra, Chamber Strings, Handbell Choir, A Cappella Choir, Musical Theater, Tri-M Music Honor Society, and various chamber ensemble opportunities.
