Students using a school-owned instrument (including percussionists) are required to pay a rental fee \$33 per semester. Music and folder is supplied by Y115 and must be kept in good condition. Fee for a missing folder is \$25. YHS Bands will place one order at the beginning of the school year to fulfill these needs. All students are required to pay a one-time \$70 fee for the uniform. YHS owns and lends the tuxedo coats and pants. All other uniform items belong to the students.

## **Learning Goals**

Students will become aware of various ensemble and rehearsal techniques, wind & percussion repertoire, and high school level performance techniques. Students will also advance their knowledge in theory, history, pedagogy, etc. through application and refinement of ensemble skills toward the collegiate level will be an omnipresent goal in every rehearsal

## **Rehearsal Philosophy**

Rehearsals are not to learn your individual parts – rather they are to learn everyone else’s part. Rehearsals are time to work collectively, not individually. Your part is your responsibility. The goal, when we are all together, is to make music, not to learn fingerings or rhythms.

## **Band Values**

Students of the Yorkville High School Bands...

- Instill respect and pride for each other, our equipment, and our facilities.
- Create a family-like atmosphere throughout the band.
- Maintain a positive focus with high energy.
- Take initiative ourselves and encourage others to self-motivate.
- Always strive for excellence with a positive attitude.

## **Expectations**

- Instruments, music, and folders must be put away in their assigned areas when not in use.
- Lockers and classrooms should be kept clean of non-music related items
- No food, gum, or beverages will be allowed in rehearsal at any time
- Practice rooms are designed for practicing only. Students are not allowed to use the practice rooms for any other purpose unless given permission by the teacher.

## **Private Lessons**

Students who study their instrument with a qualified private instructor get better on their instrument faster than those who do not. It is no secret that the best musicians in our schools are the ones that take 30 minutes to an hour out of their week and study privately with a professional. It is highly recommended that students take advantage of the opportunity to study with a qualified private instructor from our private instructor list found on our website.

## **Communication**

The Yorkville Music Staff works hard to communicate clearly, concisely, timely, and accurately with students and parents. We utilize many methods of communication listed below. However, the most important tool of communication that we count on is our students. We also communicate through in-school handouts, Music Notes publications, up to date websites ([www.yorkvillemusic.org](http://www.yorkvillemusic.org)), posted announcements in class and on our website, verbal announcements at concerts, email, Canvas, twitter @yorkvillemusic, and remind texting service.

## **Grades**

Student grades are based on individual assessment. Attached is the Y115 grading plan.

Retake Policy: Students may arrange review sessions and retakes for individual assessments within the same grading period.

## **Weighted Grades**

9th-12th grade students electing to take Wind Symphony (9222\*) as a weighted grade will follow the weighted grade program requirements which can be obtained on the music department website or from your teacher. Enrollment in the weighted grades program must take place in the first three days of the school year.

## **Transportation Policy**

1. All students must ride the school provided transportation to and from away events unless alternate transportation arrangements (with documentation) are made prior to the day of the event.
2. After the event (if alternate transportation is pre-approved) with the parent/guardian must sign out and release the student with a music teacher.
