Yorkville Music Boosters is a not-for-profit, 501(c)3 organization. The purpose of Yorkville Music Boosters is to enhance, support and promote the music programs at Yorkville Community Unit School District #115 by uniting parents, students, faculty, staff and the community in a way that strengthens the sharing of school spirit and provides moral as well as financial support. **The Yorkville Music Boosters organization is committed to excellence in the Yorkville Schools music program.**

We are parents, family, and friends of band, orchestra, & choir who give time, effort, patience, & kindness to help build a strong music program for our young musicians in district 115. We understand the value of supporting the arts and how it strengthens our community. Participating in a school music program has many benefits; and we are proud to support all the kids in our school district who want to pick up an instrument or use their singing voice to be part of something great.
